Peter MacCallum Cancer Centre

The beneficiary of the rally, Peter MacCallum Cancer Centre or 'Peter Mac' as it is affectionately known, is Australia's foremost cancer centre.

Peter Mac is the only cancer centre in Australia where researchers work directly alongside clinicians to provide the very latest in cancer treatment to their patients. The researchers are only too aware of the urgency of translating findings made at the benchtop to the bedside.

Sir Peter MacCallum, who founded the centre over 50 years ago, believed that only the best was good enough in the care of cancer and Peter Mac continues this tradition today.
